

# Back to School! Photo Contest

We had so much fun during our last contest, we decided to have another. It's back-to-school time, so let's see pictures of our beautiful patients as they begin a new year. Public, Private or Home-schooled, we'd like to see what "our" kids are up to.

Upload your photos from now until Sept. 15th to our FB page and we'll put them up for vote. The winning picture takes a family of four out for some fun with a four-pack of movie tickets and dinner! Start snapping for a fun evening out!

We can't wait to see our busy students rolling into their year!

## Be careful

heading back to school this year. According to the Lorton Patch, there were 79 school bus crashes in 2012. This year, Lorton police will be watching traffic surrounding schools and buses much more closely. They want to advise drivers to slow down and be aware when driving near schools and around buses. Check out the Lorton Patch online at [lortonpatch.com](http://lortonpatch.com) for this article and more back-to-school information, including calendars and helpful tips.

Many of our younger patients have "Kicked the habit" recently. We would like to congratulate our younger DS Family members for giving up thumb-sucking, bottles, pacifiers and other damaging behaviors. Your journey to the perfect smile will greatly benefit from your hard work. Good job, kids!

## August Contest Winners!

Congratulations to our winners: Kia A. & Paola S. Kia and Paola have both won \$100 gift cards to Target for back-to-school shopping!

Congratulations, ladies!
